The State of Nevada, Division of Water Resources would like to invite you to one of their regulation workshops. Part of the CEU requirement is that the license well driller must have two (2) CEU's within a two (2) year period that pertains to Nevada Well Drilling Regulations. To Satisfy this requirement the well driller can attend one of the regulation classes that the Nevada Division of Water Resources offers.

Note: There is limited seating at ALL locations, please contact Sue Gilbert at (775) 684-2838 or email [sgilbert@water.nv.gov](mailto:sgilbert@water.nv.gov) to reserve your seat.

### ON-LINE CEU CLASSES

When obtaining continuing education units for your renewal, there are several on-line classes available that can help you earn CEUs as required per NAC 534.2927. The Division of Water Resources has reviewed and approved three individual on-line well drilling schools, all are very informative and educational. Please see listings below:

## New Examination Dates and Times

Currently we are in the process of re-vamping our well driller's examination program. The new program allows drillers to take the test 8 times per year instead of just 4, and adds an additional testing location in Elko. The new format also allows drillers who pass the written portions of the exam to flex between dates for their board interview.

Written exams are offered on the third Thursday in January, March, April, June, July, September, October and December for parts I and II of the well driller examination. Starting time is 8:30 am.

The Statewide Well Driller's Advisory Board (Board) meets in November, February, May and August. For part III of the well driller examination, the interview. Starting time is 8:00 am.
